

Dear Families,

Thank you for being our partner in your child's education during this difficult time. While this is not an ideal situation, we will continue to work together to make sure your child is engaged in learning! While this is not exactly what we would do day to day in our classroom, we have provided some learning activities for your child to complete while at home.

We have tried our best to set these activities up in a way that will work for each family. We know that each family has very different schedules. Please do these activities in a way that works best for your family. In addition to the paper packets, we have provided a sheet full of fun, educational links for children that can enrich their learning experience!

We will be available through e-mail and Class Dojo. Please feel free to reach out to us with any questions or concerns. As of now, we will also be available by school phone (518) 792-3231 on Thursdays from 8-3. This could be subject to change.

Please tell your child we are thinking of them, miss them, and look forward to seeing them again.

Thank you so much for your support and understanding during this time!

Sincerely,

Mrs. Dymond and Ms. Wordelmann
